SUBJECT:

DOCKET NO. 2004-219-E – Progress Energy Carolinas, Incorporated – Petition to Terminate Service – Discuss with the Commission a Letter From Beatrice Weaver Objecting to Order No. 2005-628.

COMMISSION ACTION:

By letter received in this office on November 22, 2005, Ms. Beatrice Weaver made certain requests in regard to this Commission's Order No. 2005-628, which was received by Ms. Weaver via certified mail on November 1, 2005. As to those requests of Ms. Weaver which ask for reconsideration of issues addressed in Order No. 2005-628, I move that the Commission issue an Order ruling that those requests are untimely filed under S.C. Code 58-27-2150. As for the other issues raised by Ms. Weaver in that letter, namely, 1) which gate Progress Energy may use to access her meters, and 2) what mailing procedures Progress used in service of its Withdrawal of its Petition, I believe they would be more appropriately addressed to Progress Energy rather than to this Commission.

In regard to Ms. Weaver's follow-up letter of November 25, 2005, received by this Commission on December 1, 2005, Ms. Weaver requested that the Chief Clerk of this Commission issue instructions to Progress Energy Carolinas, Incorporated to install an electric meter at her residence at 1253 Harllees Bridge Road, and to open an account in her name and supply her with electricity, no later than December 15th, 2005. Since the Chief Clerk of this Commission does not have the authority to take such action, her request has been construed as a request for this Commission to do so.

By letter filed on December 9, 2005, Progress Energy provided its perspective on the previous discontinuance of Ms. Weaver's electric service at her residence. Progress Energy also contested her request to reenergize electric service at her house until the debt for unpaid electric bills at the premise is paid, stating that Ms. Weaver maintains active electric service accounts for two separately-metered buildings on her property, and that she is not facing disconnection for non-payment because she lacks the means to pay the electric bill in question. As such, this request is a contested matter and should be scheduled for hearing at a time consistent with the Commission's current schedule.

Therefore, I move that the Commission staff be instructed to schedule a hearing as soon as possible in 2006, consistent with the Commission's current schedule. In order to facilitate Ms. Weaver's participation in such a hearing, and due to the previous statements she has made regarding travel difficulties, I move that we also direct the staff to explore the possibility of arranging for her participation in the hearing by video conference hook-up in order to facilitate her participation in the proceedings.
